CANAL WILL OPEN AUGUST 15 First Vessel to Pass Through Will Be the Cristolial.

Washington, July 23.—Opening of the Panama Canal to the world on August 15 next was announced to-night by Secretary Garrison. Probably the first vessel to pass through the great waterway will be the Cristobal, a War Department steamer, now at Colon.

There will be no formalities in connection with the epoch-marking event, all ceremonics being left for the official opening when the international fleet passes through the canal in March, 1915. Mr. Garrison's annoncement follows:

"The Panama Canal will be open for vessels not needing more than thirty feet of water on and after August 15, 1914.

The army officers, while criticizing the troops in many respects, said that the work was much better than had been expected.

The weather to-day was the best since the encampment began. The sum was intense, but cooling preezes have swept over the whole of the surrounding country, and, while the work has been severe for green troops, the men are holding up well under the strain, and are improving rapidly under the rigid discipline such as has been the rule at this camp. The presence of so many regular officers has made the milita officers do their utmost to conform with the army regulations, and the discipline is the best ever seen at a State encampment.

MURPHY DOES NOT MIND

ROOSEVELT'S ABUSE

[Special to The Times-Dispatch.]

New York, July 23.—Charles F. Murphy, boss of Tammany Hall, announced to-night that he had no intention of suing Colonel Theodore Roosevelt for libel.

Murphy's announcement was caused by the action of William Barnes, of Albany, Republican State chairman, who caused papers to be prepared in a \$50,000 suit, charging that Colonel Roosevelt had libeled him in his statement of last night indorsing the candidacy of Harvey D. Hinman for Governor of New York.

"It is no new thing for Teddy' to abuse me, and I don't mind it a bit,"

"Does the Southern pay an exorbi-"

deal?" asked Mr. Thom.

"I am making no charges against the commission."

"Didn't Commissioner Prouty write you that the question of through rates could not well come up in the case, but that he was willing to hear you?"

asked the attorney.

"That is not the way I interpreted his sponsor and friend created it be-but that the rates now in existence allow you to get to market on the same terms as your competitors?" asked Mr. Thom.

"Yos, but the Southern immediately after the Andy's Ridge case began to give their patronage of fuel coal to the trust operators, and that enabled them to run their mines continuously, while we cannot do so."

"Li is no new thing for Teddy' to abuse me, and I don't mind it a bit," while we cannot do so."

"Does the Southern pay an exorbi-"

"The man who conducts the har voster trust," the Senator said, "cannot escape responsibility by alleging that his sponsor and friend created it be-town to the trust operators of hear you?"

"That is not the way I interpreted his sponsor and friend created it be-town to the two the surface of the took service. The Harvester Company has many arms.
